

CYBER SAFETY FOR PARENTS: TRANSITIONING FROM HOLIDAYS TO HOME LEARNING

Carley & Martin will be sharing all of their insights - to support parents to be informed, empowered and minimise risk when it comes to managing connected devices.

Managing devices in the home

Keeping safe online

Minimising conflict around digital devices

Unsafe apps & social media

Cyberbullying

Current trends in child/teen online behaviour

Keys to parent-child communication

Balancing screen time

Where to find helpful information

Carley McGauran

Psychologist &
Mother of Three

Martin McGauran

Education Consultant &
Primary School Teacher
