

## Dear Parents and Friends of Holy Rosary

It is timely, with recent news reports of the Tamil asylum seeker family, that June 20 is World Refugee Day. During this time we can try to imagine what it would be like to journey into unknown and possibly dangerous territory and what might influence decisions to risk a dangerous journey from home to a foreign country. This week, in particular, we keep asylum seekers and refugee justice issues within our prayers.

Lord,

No one is a stranger to you and no one is ever far from your loving care.

In your kindness watch over refugees and asylum seekers, those separated from their loved ones, those who are lost, and those who have been exiled from their homes.

Bring them safely to the place where they long to be, and help us always to show your kindness to strangers and those in need. Amen

Australian Catholic Social Justice Council

Dear Parents,

The students have settled in well after lockdown 4.0. Classrooms are productive as excited students show their knowledge and display their skills in all sorts of ways. The photos below illustrate just how much is happening around the school! Congratulations students!

*Holy Rosary School is committed to the safety, wellbeing and protection of all children in our care.*

## **Drop-off and Pick Up arrangements at the beginning and end of the school day.**

We thank all parents for following the COVIDSafe rules of remaining off school grounds. The morning routine enables students to have time to play and mingle with friends before the bell. Students enter the school gates easily and happily and it's wonderful to watch their independence. The end of the day, however, has presented us with some challenges.

As we have many parents and carers who pick children up at the bell, there is much congestion at the gates. The traffic in Gower Street is hectic with many families trying to leave at the same time. We have teachers on duty after school to help this process flow.

As a result we have revised the dismissal process and we will open the school gates at 3:20pm so parents can return to their usual pick up routine, including coming into the school grounds to find their child, and then leaving quickly, to ensure we meet COVIDSafe practices. Playing in the school grounds after dismissal is not permitted at this stage.

## **For the safety of your children, it is vital that we all do the following:**

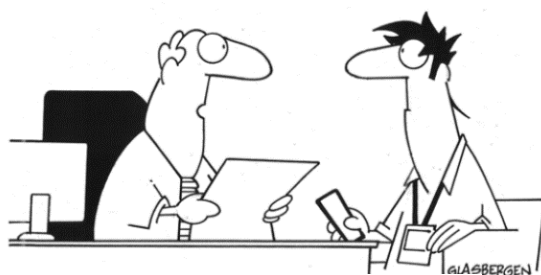

- Use the crossing if you need to cross the road. Andrew, our crossing supervisor, is on duty to enable the community to cross the road safely. There should be no one crossing the road in front of the school gates and cutting into traffic.
- Communicate with each other respectfully. This is particularly important as children absorb the behaviours that adults display.
- Wait on the footpath, not the road. If adults are on the road, traffic cannot flow and Andrew's view of oncoming traffic is obscured, making crossing the road dangerous.

## **Parent Teacher Interviews**

As previously advertised, Parent Teacher Interviews will be conducted online through the 'Whereby App' on Tuesday 22 June. Appointments can be made and edited through School Interviews right up until Monday 21 June. Details are attached at the end of this newsletter. A reminder that students will be dismissed at 12pm on Tuesday 22 June. Interviews will begin at 1pm and TeamKids is available should you require care for your child.

## **PEB News.**

There is an important update that follows this newsletter. It includes a Google Form that requires your attention. Please take the time to read, respond and submit.

## **Grade 3/4 Camp**

We can now confirm that camp is definitely going ahead and all preparations are now complete. Our campers will leave for Arrabri Lodge, Warburton, on Thursday 24 June at 9am. They will gather in the hall for roll call before departing. Parents may wish to help their children drop bags off, then you will be directed to leave the school grounds. This will eliminate the need for parents to use the QR Code COVID tracking system. Families wishing to wave the bus off, can do so by waiting on Gower Street. We thank you in anticipation for your cooperation

as we adhere to COVIDSafe rules for school settings. Buses will arrive back at school on Friday 25 June by 3:15pm with many exciting stories to share. Staff attending camp include JP (Teacher-In-Charge), Monica, Clare, Allison, Rika, Simon, Andrea and Maria.

Have a wonderful week!

Maria, Sonya, Antoinette, and Christine

# PEB NEWS

The PEB have discussed a way forward for communicating with parents. We envisaged holding our first night with the parent community in Term 2. COVID restrictions for schools have made this a challenge as parent meetings cannot be delivered onsite. An online forum will not have the same impact. To this end, we thought it would be appropriate to share our strategic approach of how we plan to have parents engage with us in partnership.

We would begin with our Vision Statement, followed by unpacking the vision statement in small groups to identify the part we all play in making the vision statement come to life.

## OUR SCHOOL VISION

We are a dynamic and inclusive Catholic learning community called to service through our Mercy tradition.

We nurture students to be engaged, passionate and successful learners who grow and feel connected in a contemporary world.

*To what extent are we a dynamic and inclusive Catholic learning community called to service through our Mercy tradition?*

*How might we best develop our partnership so that together we can nurture our children to be engaged, passionate and successful learners who grow and feel connected in a contemporary world?*

 Growing Community, Strengthening Relationships.

 Our BIG Question 1

 Our BIG Question 2

## A Strategic Approach to the BIG Questions

2021

### School Review

- Community Sphere
- Data collection via MACS survey Term 3
- Conduct Community Conversations Terms 2 & 3
- Make recommendations for improvement

### Strategic Planning 2022-2025

- Develop School Improvement Plan 2022 -2025
- Define our strategic goals for *Growing Community, Strengthening Relationships*

### MACS School Governance

- Transition to MACS School Advisory Council model by 31 December
- PEB will support Fr. Hien and Christine

 Growing Community, Strengthening Relationships.

2021 at Holy Rosary is a Review year. This means that parents will be given the opportunity to complete surveys, offering opinions, giving voice to their thoughts. These surveys will be distributed late Term 3 or early Term 4.

This strategic approach is illustrated in the image to the left.

This information, together with teacher and student data will be used to formulate the school's strategic goals moving forward.

We are excited about working in partnership with parents to identify what we do well and should keep, what we are seeking to achieve in the years to come and where we should place greater emphasis. With this in mind and to begin the journey, we invite you to complete a questionnaire linked below:

<https://docs.google.com/forms/d/134s50eLsx4ePC1cKvu1unTaSSt4LHQ8l0nsPyKD-upc/edit>

We will be accepting answers until Wednesday 23 June at 3:30pm.

Thankyou,

**BOOKINGS OPEN Wednesday 9 June, 2021 AT 5.00PM SO THAT ALL FAMILIES MAY BOOK AT THE SAME TIME**

Interviews are strictly 10 minutes. When making bookings for more than one child in a family leave a 10 minute gap between each appointment. It is vital that parents keep to their scheduled time and end their appointments in a timely manner. If you think you will need more time, simply discuss this with your teacher before the appointment.

Once you have booked appointment times, you will receive a confirmation email. We ask that you keep the email somewhere safe as you will need to access it on the 22 June. Three minutes before your appointment time, click on the VIDEO LINK (next to the teacher's name) and follow the onscreen instructions. Your child is most welcome to attend this appointment.

# Help us turn **BREAD BAGS** into **SCHOOL PLAY EQUIPMENT**

**Our school is taking part in the Wonder Recycling Rewards campaign this term.**

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

**Collections close 25th June.**

***Tip for collecting:***

Use one empty bread bag to collect a bunch of other bags.

**Did you know**

Our school is now in the draw to **WIN 1 of 5** exercise circuits made from the soft plastic we collect!

**LET'S GET COLLECTING!**

Tag Wonder on social **#wonderrecycling** to share all your recycling champion stories!

This program has now been extended until Friday 16 July.
