## Dear Parents and Friends of Holy Rosary

### Prayer of Change...

#### Dear Parents,

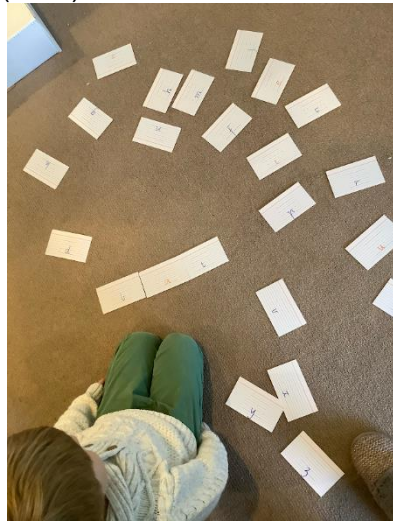

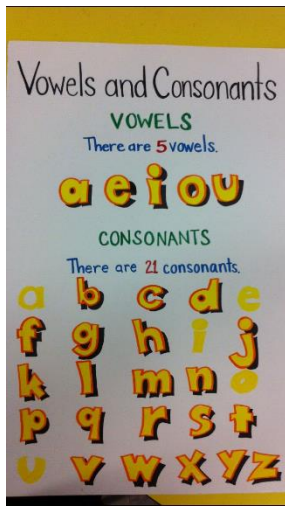

Here we go again! Today's announcement from Acting Premier, James Molino confirmed that we will be learning from home for at least another week. It's great to see how our children have easily adapted from onsite to online learning. Here's some great examples of how they have embraced remote learning by working together with siblings, and all in the comfort of their own home. We'd love to see how other families are tackling the lockdown. We invite you to share your photos and anecdotes for our next newsletter and our Facebook page

*Holy Rosary School is committed to the safety, wellbeing and protection of all children in our care.*

In Prep we have been learning about letters and sounds. Did you know they can be broken into two groups? Letters are either vowels or consonants and they can be used to make words. Look at some of the consonant, vowel, consonant (CVC) words we have made at home!

### Year 5/6 School Camp

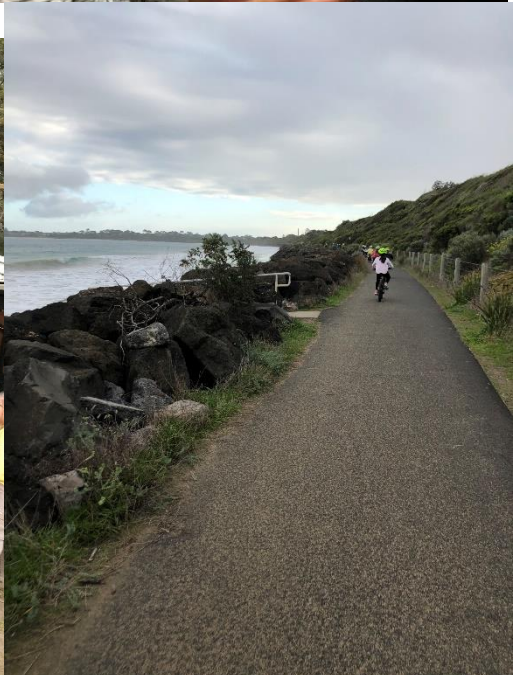

It was good fortune that our camp was timed for last week and the children had the opportunity to pack most of the activities into two days before returning home. Here are some of the highlights illustrating laughs, fun times and adventures.

### Winter Warmer

The Winter Warmer has been postponed until further notice. If your child has already paid, the money will be kept for next time.

### RE News

Thank you to the families who informed the school that they weren't able to attend the Parish Commitment masses. Fr Hien may set another date when more is known about COVID regulations. If you weren't able to attend, and the Parish isn't able to set more dates, your child will still be able to celebrate their sacrament(s).

## **Remote and Flexible Learning Online Learning and Teaching**

As you are aware, our teachers are making contact with students to support them in their learning and to test devices so classes are ready for **live online sessions with their teachers from Friday**. Ensure that your child can access their school gmail account and Google Classroom so they may participate in the learning. If you have any questions, don't hesitate to contact your child's teacher. We will keep you informed with updates as they come to hand from CECV. Happy learning!

## **Parent/Teacher Interviews**

Parent/Teacher interviews will be held online **Tuesday June 22**. Parents will be emailed the link for the 'School Interviews' platform to book a time with your child's teacher. School will finish at 12pm, regardless of whether we are on or off-site. In the event that we are on-site, Team Kids will offer an After School Care program. Reports will be sent out on June 18 and parents will receive these via Nforma. If your email address has recently changed, we ask that you notify the office to update this information.

## **Christine's Absence**

Christine is absent from school due to illness. We ask that you keep her in your thoughts and we wish her a speedy recovery. During this time, Maria is taking responsibility for the management of our school. Please do not hesitate to contact her or any member of the Leadership Team should you have any questions.

## **Supervision of on-site Students During Lockdown**

The major aim of this lockdown is to reduce the spread of this highly contagious variant of COVID-19 by limiting movement around Melbourne. In response we have minimal staff on site each day. In line with the Victorian Government's directive, only the following children who fit within at least one of the two categories, can attend the supervision on-site program:

**Children where both parents and/or carers who are *Authorised Workers* and cannot work from home, work for an essential provider and where no other supervision arrangements can be made:**

- Where there are two parents/carers, **both** must be authorised workers, working outside the home
- For single parents/carers, the authorised worker must be **working** outside the home

## **Children experiencing vulnerability, including:**

- children in out-of-home care
- children deemed vulnerable by a government agency (DFFH), funded family or family violence service, and is assessed as requiring education and care outside the family home
- children identified by a school as vulnerable, including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service.

## **Prep students 2022**

Current families should have submitted enrolments for Prep 2022 and the required documentation. Thank you to families who have promoted Holy Rosary in the community. Word of mouth is the most positive advertising of all. If you know families who are looking for Prep enrolments in 2022 please tell them to call the office for a tour.

Kind Regards,  
Maria, Ant and Sonya

## WHAT'S BEEN HAPPENING

Last week was full of epic activities in Art Attack Club and Epic Games Club! (Cooking Club didn't end up running due to lockdown). We had a blast making jewellery, using paper rolls to make mermaids and making our very own kaleidoscopes! For Epic Games Club we played everyone's it, tunnel tag and tennis.

We certainly made the most of last week, without even knowing our Movie Night would be the last session before a seven day lockdown! We enjoyed our pizza and popcorn whilst watching Abominable.

We hope everyone is staying safe during these tough times and we can't wait to see you all soon!

Stay tuned for more information about International Picnic Day at TeamKids and our 10<sup>th</sup> birthday party...
