

Dear Parents and Friends of Holy Rosary

Condolences

We pray for the Tobin Family on the sudden passing of Katherine's father in New Zealand. Our thoughts are with the family during this sad time.

Dear Parents,

It is with great pleasure to inform you that children can return to onsite learning this Friday 11 June. We have missed face-to-face learning and we can't wait to see students and teachers back in their natural habitats! We're very proud of everyone at Holy Rosary, the students, parents and teachers. We are fortunate to have a dedicated staff who have worked tirelessly to ensure that learning is seamless and authentic. Thank you to all the parents who worked with their children at home and for the positive feedback we have received about our approach to remote learning. We appreciate how juggling working from home and tending to your child's learning at the same time may have been a challenge. Thank you to those families who exercised patience as we endured lockdown 4.0.

One thing we have learnt about returning to school from previous lockdowns is that children are excited to be back at school with friends and teachers. We have no doubt that this will be the case again, however, coming back to school may present some angst for some children. Feel free to communicate with teachers if you or your child are worried about returning to school and we will work with you to ensure a smooth transition back to school.

School will begin at the usual time of 8:45am for all students where they will line up in the assembly area and be met by their teachers. To ensure the safety of students and staff, adults dropping off and picking up children are asked to remain on Gower Street and refrain from entering the school gates. We also remind adults to maintain social distancing requirements of 1.5 metres and to wear a mask. We thank you in advance for your cooperation.

Holy Rosary School is committed to the safety, wellbeing and protection of all children in our care.

Important Information and Reminders

- Parent meetings will be virtual and parent volunteers are unfortunately not permitted until further notice. This means that there will be no Pot Luck Friday canteen at this time.
- Enhanced cleaning will occur after school by professional cleaners. This will involve cleaning of tables and chairs, touchpoints such as light switches and stair rails, and toilets.
- The school gates will remain closed during the day. Should you need to enter the school grounds, simply phone the office and a staff member will attend to your request.
- Students will wash/sanitise their hands frequently throughout the day.
- There will be no sharing of food between students.
- Students who are unwell **must** be kept at home. If they become unwell at school, they **will** be sent home.

Device returns

When we return to school on Friday, students are asked to also return devices (including chargers) borrowed during the lockdown, to their classroom teacher. We ask that student names remain on devices so we can cross check these against our records. We envisage that should we have further lockdowns, students will be reissued the same laptop they used in this round. A register has been developed with borrowing details enabling a streamlined approach to borrowing school devices. The *Student Equipment Loan Agreement* will remain valid for future remote learning occurrences throughout 2021, so there will be no need to sign this again.

Camp News

Our Year 3/4 camp is scheduled for 24 and 25 June and we continue to hold this booking even though COVID restrictions are uncertain about camps going ahead. We are working closely with Arrabri Lodge and we will keep you informed as new information becomes available.

2021 Sacraments

Given recent developments in COVID regulations we have increased the number of masses for some of the Sacraments to ensure social distancing. With this comes the benefits of increased choice of days and/or times. In the final week of the school term, we will send out forms so families can nominate a mass for their child to celebrate their sacrament. To meet COVID safe standards, the number of candidates and guests will be capped. This means that once a mass reaches its quota, it will no longer be available as an option. Below is a list of the masses, so you may begin planning what best suits your family and consider alternate times if your preferred option is no longer available. We look forward to celebrating these significant faith milestones with our families. Enjoy the preparations and don't hesitate to contact Sonya if you have any questions.

Some children may celebrate more than one sacrament this year, due to cancellations in 2020. Please refer to the guide below to confirm which sacrament(s) your child will make this year.

Year 3 students: First Reconciliation

Year 4 students: First Reconciliation and First Holy Communion

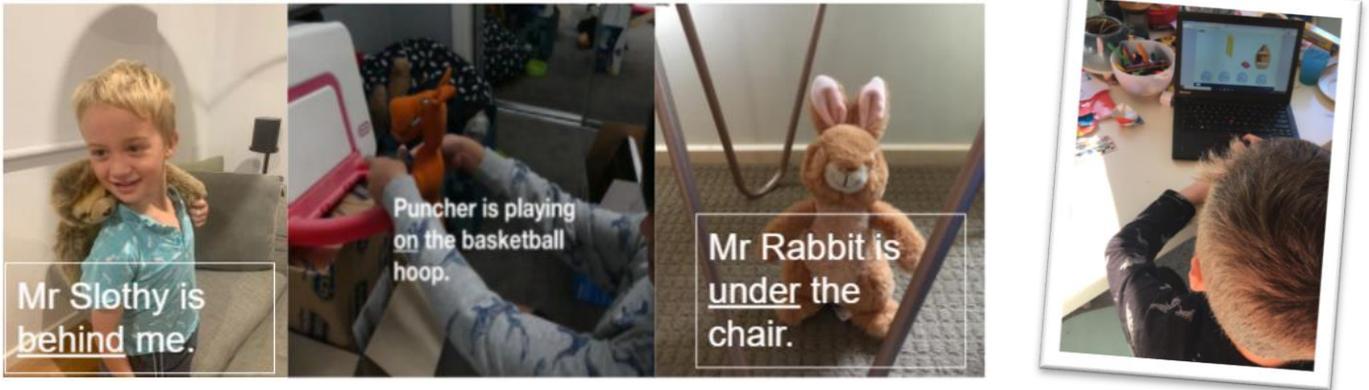

Year 5 students: First Holy Communion

Prep News

Even though seeing each other on Google Meets and learning from home is a little different, check out the innovative ways we are learning about positional words such as near, beside and over. We took our favourite toy and moved them around our houses. We then took photos of them in different positions. Look at what we came up with!

Parent Community Conversations (Forums)

The PEB is in discussion about scheduling our first onsite Parent Community Conversation (forum), as mentioned at the PEB AGM earlier this year. We anticipated this first meeting would occur before the end of Term 2, however, due to the current COVID restrictions, a face-to-face meeting is not possible. We are conscious that this is a pressing need in our community so in the meantime, the PEB is working on ways to communicate with the parent community. Further details will follow in next week's newsletter. Should you have any queries, we ask that you contact a member of the Board:

Damien Murray (Chair) Russell Jenkins (Secretary)

Committee Members: Shane Healey, Leona Jackson, Laura Cochrane, Christine Shaw, Maria Sedunary and Fr Hien.

We have sent a certificate of appreciation to *White Rabbit Record Bar* recognising their generosity in allowing us to use their space and facilities to run our Mother's Day Cake stall effectively. Some of our students contributed to this certificate. When you're next walking by or visiting inside, you may like to acknowledge their contribution.

Reports and Parent Teacher Interviews

A reminder that Semester One reports will be sent via email to parents on 18 June. Parent Teacher Interviews will be conducted online on 22 June via the *Whereby App*. This platform was used last year with much success and ease for both parents and teachers, so we will use it again. This means that you will be able to meet your child's teacher online in the comfort of your own home. Bookings will open at 5pm today. Booking details and links can be found, on a flyer, attached to this newsletter.

Gower Street Gate

Once school commences, the school gates will be open each morning at 8:30am. A teacher will be rostered on yard duty at this time to supervise students until the bell at 8:45am. Our lining-up morning routine will continue as usual. Parents are reminded that a teacher is not on yard duty prior to 8:30am so should care be required before this time, contact TeamKids. We acknowledge that some of our senior students ride to school independently of their parents and we want to foster this, however, ensure that they time their arrival for no earlier than 8:30am.

TeamKids: 0428 411 008 or holyrosaryschool@teamkids.com.au.

Enjoy the last days of remote and flexible learning. See you on Friday.

Help us turn
BREAD BAGS into
SCHOOL PLAY EQUIPMENT

Our school is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

Collections close 25th June.
