

## Dear Parents and Friends of Holy Rosary

*Children and young people are the future; they are our strength; they are what keep us moving forward. They are the ones in whom we put our hope. Pope Francis*

**Take time to reflect on our week...**

How have we shown our children that we value kindness?

What are some examples of ways we have generated happiness for others?

### National Child Protection Week

This week is National Child Protection Week. At Holy Rosary we are committed to the safety, wellbeing and protection of all children in our care. Child protection and the dignity of every child is the responsibility of all adults in our community. These ideals are lived through our school policies which can be found on our [website](#). They are also lived in our school values and our expectations. We promote that 'Safety is our Right' and that, 'Respect is our Way.'

At this time when families and children are feeling challenged by the disruption and uncertainty of the pandemic, it is worth taking the time to discuss Child Protection Week as a family. The NAPCAN website provides a range of [activities for children](#) that you may find helpful, and they also provide a tip sheet for [parents](#).

We also regularly promote the idea of your children developing a personal safety network; five trusted adults that they can talk to if they feel unsafe or need support in some way. We usually suggest two or three adults from home (parents, grandparents, aunts or uncles, family friends or neighbours) and two or three adults from school.

Blossom Bunny's Secret is our latest library purchase. It promotes personal safety, identifying unsafe feelings and empowerment to speak out when feeling unsafe.

*Holy Rosary School is committed to the safety, wellbeing and protection of all children in our care.*

### New Priest announcement

Details of our new Parish Priest have now been confirmed. Fr. Thang Vu, (no relation to Fr. Hien) will begin his appointment with us from October 6. This is in addition to his current appointment as Director, Ministry to Priests.

Fr. Hien shared this information with those who attended a zoom mass on the weekend and also the news that Father Joseph Danh Truong will take up the role as Priest in Residence at both Flemington and Kensington Parishes whilst continuing his current appointment as Chaplain to the Royal Melbourne Hospital, Royal Women's Hospital, Royal Children's Hospital and Peter MacCallum Cancer Centre.

We look forward to meeting and welcoming Fr. Thang and our new priest in residence Fr. Joseph.

### NAPLAN results

The school has received NAPLAN results and these have been posted out to families. Parents of Year 3 and 5 can expect the official results in the mail by the end of next week.

### Annual Report to the Community

The Annual Report to the Community is available on our [website](#) or should you wish, you may collect a hard copy by calling the office 03 9376 9455.

### Term dates

Term 3 ends next week Friday 17 September. Term 4 resumes on Monday 4 October.

### Congratulations!

Congratulations to the Hoac family for the safe arrival of Marceline, their newest family member. Jasmine (Prep N), Jonah and Sabrina welcomed their 'bundle of joy' late last week. We're sure you'll absolutely agree, she's simply stunning!

## Supporting Children's Mental Health During The Pandemic and Beyond

### The Royal Children's Hospital: Melbourne

We are proud of the way our children are coping with the challenges of COVID-19. It's nearly the end of the term and they have sustained their efforts to independently follow their daily routines including Google Meets, uploading work and competing for space and parental help as they learn from home. The Royal Children's Hospital recently presented a live session for families. You may find this helpful as it has lots of practical advice for parents. You can replay the video [here](#).

Hosted by Dr Anthea Rhodes (Paediatrician) with special guests Dr Ric Haslam (Director, Mental Health), Dr Alice Morgan (Clinical Psychologist) and Prof Harriet Hiscock (Paediatrician).

### R U OK? Day: Thursday 9 September

Tomorrow marks the R U OK day. This reminds us of the great opportunity to open up dialogue with one another. The [website](#) is a wonderful resource that provides the necessary tools to build our confidence to tackle meaningful conversations.

We can all make a difference in the lives of those who might be struggling by having regular, meaningful conversations about life's ups and downs.

If you feel like something's not quite the same with someone you know – there's something going on in their life or you notice a change in what they're doing or saying - trust that gut instinct and take the time to ask them "Are you OK?"

By acting as 'eyes and ears' and reaching out to anyone who's going through a tough time we can show them they're supported and encourage them to access help sooner.

### GETTING READY TO ASK

Before you can look out for others, you need to look out for yourself. And that's ok. If you're not in the right headspace or you don't think you're the right person to have the conversation, try to think of someone else in their support network who could talk to them.

To help you decide whether you're ready to start a meaningful conversation, ask yourself:

#### AM I READY?

- Am I in a good headspace?
- Am I willing to genuinely listen?
- Can I give as much time as needed?

#### AM I PREPARED?

- Do I understand that if I ask how someone's going, the answer could be: "No, I'm not"?
- Do I understand that you can't 'fix' someone's problems?
- Do I accept that they might not be ready to talk? Or they might not want to talk to me?

#### PICKED MY MOMENT?

- Have I chosen somewhere relatively private and comfy?
- Have I figured out a time that will be good for them to chat?
- Have I made sure I have enough time to chat properly?

As part of reading and writing connections in Prep, we have been doing some cooking! We read a recipe, discussed the steps, made our pizzas and finally recreated a procedural text, complete with labelled drawings and steps!

Have a look at our delicious food and our brilliant writing!!

In Mathematics, we discovered through our investigations that patterns are all around us. We had the opportunity to show our learning about patterns by creating our own in these fish drawings.

Have a look at our pattern drawings. What different patterns can you find?

## Cooking With Andrea

Last Wednesday afternoon, Andrea and 21 interested Year 5/6s connected via Google Meet to bake a batch of scones. Judging by these, there are many budding junior master chefs amongst us. Well done to everyone who participated. A huge thankyou to Andrea for initiating this activity and for bringing in her batch for staff to enjoy. They were delicious! Now, the only thing that needs to be settled, is the age-old question... cream first then jam or jam first then cream?

DELICIOUS!
