Dear Parents and Friends of Holy Rosary

Father's Day Breakfast

We had a lovely celebration with our Dads and father figures last Friday morning. The overnight rain cleared leaving us with a fine morning, perfect for gathering outside. We thank our Dads and father figures for coming along to join us. Isn't wonderful to be able to gather this year?

Holy Rosary School is committed to the safety, wellbeing and protection of all children in our care.

Year 5/6 Report

Last Friday the Year 5/6 students had the pleasure of a visit from Dr Thomas Razga. He showed the students how an ultrasound works and why they are used in medicine. The students saw the chambers of the heart, kidneys and liver through the ultrasound. Thank you for your time Thomas. The students enjoyed the session.

BackFlips Against Bullying

On Tuesday all classes participated in BackFlips Against Bullying. It was a high impact, energetic show performed by acrobats which definitely kept the children's interest throughout the one hour session. The messages were clear and focussed on empowering the bystander, exit strategies for the victim, deliberate social exclusion, and retaliation. The sessions included resources for teachers to support the program. The feedback from students was exceptional.

Speech and Drama Performance

The children who participate in Speech and Drama lessons had a showcase on Monday night. We congratulate all children for their work. It was so uplifting to see them perform their improvisations in front of a large audience for the very first time. Each child was brilliant and achieved individual performance goals. We look forward to seeing this ongoing growth. As a parent whose children participated in Speech and Drama I recommend the program as a way of building confidence and presentation skills, so essential in schools and in our work. Thanks to Robyn and Carissa for providing the program and the opportunity for the children to perform.

Enrolment forms for Term 4 can be found [on our website](#).

Victorian Premiers' Reading Challenge 2022

Congratulations to 38 students for completing the challenge this year. The certificates will be issued and delivered to school in Term 4.

Prep 2023

On Monday our first group of 2023 Prep children came to school. The purpose of the session was to welcome them and their parents to our school community and begin the orientation to Prep. Next Tuesday we will meet with them again in the Prep classrooms and afterward for a play on the adventure playground. Tomorrow night Prep parents will join us for an introductory session on preparing children for Prep. This evening will also give parents an opportunity to meet each other. We have vacancies in Prep and welcome prospective parents to come along for this session or to book a tour.

Enrolments

We will have vacancies across all year levels in our school. We ask you to help us spread the news to families in Kensington as there are still some families who have not decided on a school for 2023. Did you know that we offer a discounted fee structure for those families who have a Health Care Card? This enables families to educate their children at Holy Rosary for a most affordable family fee. Prospective families are welcome to join us for a tour to see our classes in action.

Leaving HR at the end of 2022?

Please let the office know if your child is leaving HR at the end of the year. This information significantly impacts our staffing and class configurations in 2023.

Fees

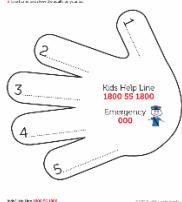

Thank you so much to families who have paid fees in the past weeks. This increase in funds really does make a difference to the educational programs and resources we can offer our children.

Child Protection Week

As you are aware, this week is Child Protection Week. It's a time for us all to think of the very best ways we can support and protect our children. As part of our care for your child's wellbeing, we introduce Personal Safety Networks to students in Prep and this idea is followed through in Years 1-6 as a strategy they can use to connect with supportive adults to help solve personal issues. Personal Safety Networks remind our children of the trusted adults they can speak to when things aren't going so well. It's a simple activity that you can support at home.

The attached [template](#) will help explain the process and children can either use this or trace around an adult hand, following the instructions on the link.

Don't forget to remind children that they can contact [Kids Helpline](#) or emergency services on 000. It's always a good idea to display the completed hand somewhere visible. Revisit your child's network when situations change. The more current the people on the network, and the more conversation around the topic, the more likely it is that your child will go to someone who can help. Remind your child that if they don't get a response from the first person they should choose another person on the network.

RE News

This week 5/6S will attend Friday's parish Mass. Our school prayer focus is the Lord's Prayer. Holy Rosary Day will be celebrated on Friday 7 October beginning with Mass at 9:15am. All families and friends are invited to join us for Mass in Holy Rosary Church.

For your Calendar

Christmas Carols are back! These will be held on Tuesday 13 December, the final week of school.

Each class will lead us for a traditional carols night, sharing popular and traditional songs, as well as a performance from our HR Rock Band.

Student Free Day

Staff will be involved in a Professional Learning Day next Friday which means that the term will be finished for children on Thursday 15 September at 3:20pm. School resumes on Monday 3 October at 8:45am. Our Year 3/4 students will depart on this day for their camp at Lady Northcote.

Footy Colours Day

Thursday 16th is our Footy Colours Day so children are invited to come to school dressed in their footy colours (without the footy boots please!) If your child doesn't have a footy team, they should wear their favourite colours or the colours of their favourite sporting team. We thank our HR Social and Fundraising Group for their work in providing the hot dog lunch for our children on this day.

Prep & Year 6 Memento Plates

A great activity to help your child remember their first or final year at primary school is for them to create an individual artwork and have it turned into a beautiful memento plate keepsake. Classroom teachers, with the assistance of a few parent helpers will facilitate that very process over the next few weeks. To ensure we have the best chance of completed artwork being returned from the manufacturer before Christmas, we have a strict deadline to meet. **Artwork must be finished by Wed, September 7**, which gives time to reconcile artwork with payments, ready to post to the supplier by the strict September 9 deadline. Your child will be given a letter detailing price and the TryBooking ordering process so look out for it.

We need you - are you keen to help?

Can you spare an hour? A few? A day or two? For our events to run, we need parent helpers. We are in need of volunteers to lead and/or help for our Term 4 projects. Most urgently, we need teams of volunteers to organise the SCHOOL DISCO for Term 4. Without volunteers, this event can not run.

We need:

- disco lead (who will get a handover from a previous lead)
- people to pick up any stock required for the evening
- people to supervise/serve at the event
- ...and other jobs

Many hands make light work! Please email Erin Church at holyrosaryfundraising@gmail.com if you are keen to get involved for a great cause, and meet other Holy Rosary families!

WHAT'S BEEN HAPPENING

Hello Holy Rosary! What a week we had last week.

We created lots of gifts for Father's Day, such as mobile phone holders and rainbow-scratch cards. We also participated in the school's Father's Day breakfast on Friday morning. Cooking Club had us making delicious apple pies. In Coding Club we used blindfolds and used programming directions to guide our partners through an obstacle course – check out Bea and Oscar in the photo below! For Epic Games Club we played Dance Tag and had a ball.

Book in now for our end of term party on the last day of term. The theme will be SPACE! Dress up as something space-related – a star, an alien, an astronaut... The possibilities are endless. See you there!
