

Dear Parents and Friends of Holy Rosary

Advent Week 1

*Let us awaken from our slumber!
Let us try to ask ourselves: am I aware of what I am
living, am I alert, am I awake?*

*Do I try to recognise God's presence in daily situations,
or am I distracted and a little overwhelmed by things?*

Pope Francis, *Angelus* 27 November 2022

Yesterday the Advent season began. Advent is a Latin word meaning 'coming' and it marks the new liturgical year in the Christian calendar. It is a time of reflection, hope, and joyful preparation for the celebration of the birth of Christ. In this time leading up to Christmas we focus on the four themes of hope, peace, joy and love. As part of this Church season at Holy Rosary we encourage students to recognise the needs of others and to appreciate their own good fortune by participating in our 'Share the Joy' campaign.

Share the Joy

Our beautiful Holy Rosary tradition of providing Christmas Hampers is continuing again this year. You are invited to join us in supporting our parish's St Vincent de Paul group, by donating festive food to make Christmas hampers. The Kensington Vinnies group will distribute the hampers to needy families in our neighbourhood. This act of kindness will provide families, not only with some tasty food for the Christmas season, but also with a sense that someone cares. Let's shine our Holy Rosary light brightly to those in our local community!

Families, please use this opportunity to speak with your children about the spirit of giving. You could encourage them to be part of the process by giving up some of their money or treat foods, to purchase something special for our hampers. Alternatively, they could do extra jobs around the home to earn money to buy food.

Prep - Year 2	Year 3/4	Year 5/6
Christmas cake Chocolates Longlife custard Fruit mince pies Shortbread Jelly crystals	Tinned ham (no SPAM) Savoury biscuits Packet of chips Cranberry, mint or apple sauce Sachets of gravy	Christmas pudding Hand lotion Christmas decoration Confectionery stocking Packet of lollies

Here's what to do:

1. Purchase the item
2. Your child can deliver to their classroom (no need to wrap)
3. Year 5/6 students collect items and prepare the hampers

Fees

We thank families who have paid their fees in full or have organised a direct debit to cover their fees. As a not for profit, fee payments are critical to our operation.

Some families are yet to pay school fees for this year. It is expected that fees are paid in full by 11 December unless you have a direct debit organised. I thank you if you have already made contact to discuss your late payment or inability to meet your commitment.

If you are not able to meet this commitment, it is an expectation as part of our enrolment agreement that you make contact with Christine to discuss a payment plan. We will always assist families in financial need. A link to our MACS concessional fee policy is attached here.

<https://www.hrkensington.catholic.edu.au/wp-content/uploads/2023/12/Concessional-Fee-Policy-for-Primary-Schools-2023.pdf>

Next year there will be a change in our fee structure and a fee increase to help accommodate some necessary expenditure, including a new roof. Please see the letter below for further details.

Family in Need

Last week we reported that a family in our community required some support. The response from our HR community was phenomenal and we had the required meals in a very short time, and further follow up from several families who offered support in a number of ways. Thank you for your kindness. Please keep this family in your prayers and if additional support is required we will make further contact.

Reports

Students reports will be issued to families via the nForma portal on Monday 11 December.

There is also the option for families to have a final interview for 2023. This may be done by contacting your teacher directly to organise a mutually convenient time.

Parent Teacher Interviews 2024

Next year the schedule for reporting will change by moving the end of Term 2 interview to the conclusion of Term 1. This table provides an outline of the reporting process in 2023 compared to 2024.

2023/24 BIG Summer Read

It is a Victorian Statewide Reading Program which will be held during 1 December 2023 - 31 January 2024.

Research has identified a phenomenon known as the 'summer slide', which refers to the loss of literacy skills over the summer holidays when children do not read—estimated on average as the equivalent of two to three months of reading proficiency. Loss of reading proficiency is most acute in children from economically disadvantaged communities.

The BIG Summer Read, developed by the Children's and Youth Services Special Interest Group (CYS SIG) aims to slow the slide by engaging children and their families in a fun and dynamic campaign supported by Beanstack, a user-friendly website (with an intuitive mobile app) that makes it easy to register, track reading and earn digital 'badges' as rewards for reaching reading milestones.

Go to the website and follow the prompt to register.

Wellbeing

At Holy Rosary School all children and families are expected to be Wellbeing Warriors who look after the safety and wellbeing of themselves and others

There is a strong case to be made for doing random acts of kindness, and an even stronger case for doing intentional acts of kindness! Helping others has been associated with a range of feel-good emotions and works towards developing positive mental health and wellbeing.

Helping others has been proven to reduce stress levels and promote feelings of happiness, calm and generosity. And it's because of these positive feelings that makes you want to help others more often.

Focusing on someone else, even for a short amount of time, helps to reduce the amount of time you spend thinking about the stressors in your own life, hence leading to better mental health. The more time you devote to helping others, the more your mental health will be impacted positively.

Christmas is the perfect time to reach out to people in your community who might need support. Thinking about the communities we belong to; family, friendship groups, school, sporting clubs and local communities. During this season of Advent, we are encouraging students to use their own money to buy something for our Vinnies Christmas hampers. We understand that this is not always possible, however, we believe it would be a more powerful learning experience for our students. We talk about showing kindness through our actions at school. What better way for children to develop a better understanding of what this means and also to feel good about themselves, than through this act of service.

Hold the door open for someone ★	Pick up some rubbish that you see ★	Make a card for someone to brighten their day ★	Use your own money to donate to our Vinnies hampers ★	Organise fun games for younger kids ★
Choose teams fairly ★	Give someone a hug ★	Invite a friend over to play ★	Play with someone different at lunchtime ★	Offer to help a neighbour take out their bins ★
Make a yummy treat for someone in your community ★	Call your grandparents and ask them about their day ★	Tell someone a joke to make them laugh ★	Make a homemade gift for someone ★	Donate old toys to Vinnies ★
Random act of kindness ★	Help your parents to clean up after dinner ★	Compliment someone in your class ★	Send a letter to a friend or relative telling them you love them ★	Put your own washing away ★
Clean your room ★	Share your toys with your siblings ★	Draw a picture for a friend ★	Help to set the dinner table ★	Tell your family you love them ★

We have created a Kindness Advent Calendar that you and your children are welcome to follow. You can find it just outside the front office.

Book of the Week

Kindness by [Zanni Louise](#) and [Missy Turner](#), is a beautiful and modern book all about acts of kindness. It shows children just how easy it is to engage in small or big acts of kindness and how it can help those around us.

We have this book in our library if you would like to borrow it.

Holy Rosary Positive Behaviour for Learning

Every child has the right to learn and every teacher has the right to teach.

Holy Rosary Positive Behaviour for Learning Lesson Plan for Positive Dispositions for Learning	
Step 1: List Learning Intentions and Success Criteria	
<p>We are learning to: explain what dispositions help me to be a responsible learner and what I can do to develop those dispositions. We are learning to explain what empathy, self control and initiative mean.</p> <p>What it looks like: It will look like students listing learning dispositions and explaining what they mean, what they look like and how we can use them in the classroom.</p>	
Step 2: List a rationale for teaching the behaviour Why is it important?	
<p>Holy Rosary School Values: Relationships, Respect, Resilience, Integrity, Kindness (highlight relevant values)</p> <p>Holy Rosary School Expectations: Safety is our right. Learning is our responsibility. Respect is our way. (highlight)</p> <p>Learning dispositions are innate in all of us, some more so than others. For example, I might be really good at seeing something that needs to be done and getting it done without being asked to. Or I might be really good at understanding other people's feelings, which then helps me to develop positive relationships with them. Dispositions help us to learn the best we can and manage ourselves and our relationships effectively.</p>	
Step 3: Identify examples and non-examples of the desired behaviour	
What would the behaviour look/sound like?	What would the behaviour not look/sound like?
Examples	Non-examples
<ul style="list-style-type: none"> • Seeing something that needs to be done and doing it without being asked • Trying new things • Taking risks • Understanding how other people might be feeling • Putting yourself in someone else's shoes • Relating to other people • Managing your emotions • Managing your impulses 	<ul style="list-style-type: none"> • Sitting back and letting everyone else do things for you • Only doing things your comfortable with, not trying new things • Only thinking about yourself and your feelings, rather than how others might be feeling • Not giving work a go when you think it's 'too hard' • Only telling one side of the story and not thinking about why someone else may have behaved in a certain way • Getting upset without trying to use any strategies to calm down • Saying and doing things without thinking first

1 December, 2023

Dear Parents,

This letter is to provide you with information about our school fees and levies for the 2024 school year. We value you as a member of the Holy Rosary community and appreciate the contributions you are making towards the success of our school and your child's education.

I have consulted with our Business Manager from MACS (Melbourne Archdiocese Catholic Schools) and he recommended that we increase our fees and levies for 2024. I also acknowledge and thank School Advisory Council members for their input into our decisions. As you are aware, Holy Rosary has maintained a low fee structure for many years. Unfortunately, with increasing costs, the need for ongoing maintenance of our buildings, and the purchase of additional resources, our finances are tightly stretched. The increase in fees and levies will allow us to continue providing your children with the most up to date educational practices, technology and quality staff.

School fees in 2024 will have three components;

1. Family Fee
2. Maintenance Levy, and
3. Student Levies

The Family Fee and Maintenance Levy are charged per family, while Student Levies are billed for each of your children depending on their year level. The Maintenance Levy will be introduced for the first time in 2024. These funds will assist us to meet the costs associated with our new roof.

The Family Fee for 2024 will be \$2100.00 per annum plus levies.

To ensure our fees are affordable and that Holy Rosary School is accessible for all families the MACS Concessional Fee Policy outlines eligibility and a discounted fee structure. Concessional school fees are available from \$780 plus excursions, incursions and camps. These families may also apply for the Camp Sport and Excursion Fund (CSEF) by contacting Lynette early in 2024.

Student Levies cover the activities that your child will participate in throughout the year. Levies are per student. Levies will also increase in 2024. These levies are spent directly on curriculum needs including stationery, art materials, photocopying, excursions, camps, interschool sport, chromebooks in Years 3-6 and Operoo. As students in each year participate in different activities, the levy increases from Prep to Year 6. We have not allocated funds for the Year 6 Graduation dinner in 2024.

Year Level	Levy
Prep	\$750
Year 1	\$780
Year 2	\$790
Year 3	\$1040
Year 4	\$1040
Year 5	\$1120
Year 6	\$1200

Using this table you can calculate your fees for the year by adding the Family Fee, Maintenance Levy and Student Levies applicable for your children. For example if your children will be in Prep and Year 2, you will pay a Family Fee of (\$2100) + maintenance fee (\$150) + Prep levy (\$750) + Year 2 levy (\$790) = \$3790 for the year.

Fees are sent as an annual invoice but there are several payment options available:

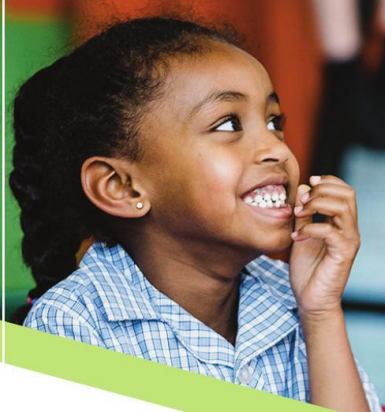

1. In three equal instalments by 22 March, June 21 and September 13; OR
2. Annual payment of fees in full by March 22; OR
3. Ten equal instalments from February to November on the 17th of the month
4. Via direct debit/electronic funds transfer in instalments that work for your family.

All fees must be paid by 30 November, 2024 unless a direct debit exists.

Your ongoing financial contribution enables us to continue to provide rich and engaging learning activities, and strong pastoral support for all students. However, we recognise that some families may be unable to meet the increase in fees. As a Catholic school we will ensure that no family is turned away through inability to pay fees. If you are experiencing financial difficulties, I strongly encourage you to book an appointment for a confidential meeting with me to make arrangements to assist your family. Holy Rosary has a strong inclusion policy and we wish to ensure the very best education for all.

Yours sincerely,

Christine Shaw
